March 26, 2008

SUMMARY OF BILL: Establishes a 60 day renewal period after the expiration date of a license to operate a health care facility.

ESTIMATED FISCAL IMPACT:

On March 10, 2008, we issued a corrected fiscal note indicating *a not significant increase in state revenue and a one-time increase in state expenditures of \$6,000*. Based on additional information provided by the Department of Health, the fiscal impact of this bill is as follows:

(CORRECTED)

Increase State Revenue – Not Significant

Increase State Expenditures – Not Significant

Assumptions:

- According to the Department of Health, the Board for Licensing Health Care Facilities will establish the late penalty fee and licensure reapplication process during a regularly scheduled meeting. Any cost is estimated to be not significant.
- Pursuant to Tenn. Code Ann. § 68-11-216, the Board for Licensing Health Care Facilities is required to be self-supporting over a two-year period.
- The Health Services Development Agency will incur a not significant increase in expenditures as a result of the revisions to the licensure renewal process which will be offset by a not significant increase in revenue from the collection of late penalty fees.
